TRIPLE ENTRIES! FREE PRINT AND MAIL! MULTIPLE PAY POSITIONS!

When you join The Trifecta system your name will be entered in **THREE ENTRY POSITIONS**: The #1 sponsors position which pays you \$50.00, the #6 position which is only 5 fast steps from the **NEXT \$50.00** pay position and the #12 position which is only 6 fast steps from **ANOTHER \$50.00** pay position. The #18 position pays \$50.00 **AGAIN!!**

100 copies of the Trifecta will be printed and mailed with your name in the #1, #6 and #12 positions. When **ONLY ONE** new member joins **ANOTHER** 100 will be mailed with your name in the #2, #7 and #13 positions. These printing and mailings are **CONTINUOUS** – 100x18 positions = 1,800 circulation! Can you find one person to join? Of course you can **EVERYONE CAN**. Many members will get a lot **MORE** than one to join. The total volume of circulation is **LIMITLESS!**

The **High Volume** of circulation combined with triple entries and multiple pay positions leveraged through 18 total positions create a system of unlimited income potential. The financial possibilities of The Trifecta System are beyond calculation. Take any reasonable financial projections you see on any other program and multiply the numbers x 3 then multiply that number x 4 and you will start to understand the **POWER OF THE TRIFECTA SYSTEM**. You will have your name appearing in pay positions on hundreds of Trifecta circulars being mailed to thousands! You have the potential to earn profits with the Trifecta System without doing any mailings. However active promotion will significantly increase everyone's earnings.

DIRECT PAYMENTS

Your \$50.00 money orders will be mailed **DIRECTLY TO YOU** by each new member as they join. After all positions are filled the **ONE TIME** cost to enter will **NOT** increase as more people join. There are no monthly payments or additional fees.

MONITORING

New members will be required to send copies of all money orders to the Monitor (Bruce DePuy). There is **NO** monitoring fee. Due to the tremendous financial potential of The Trifecta the monitor prefers to be a participant rather than to collect a fee.

PROMOTIONAL PRODUCTS

Every member will receive a 240 name mailing list of currently active mail order promoters and two high profit dealerships! The value of these products combined with the print and mail service are in excess of the cost to join. It's like entering for **FREE!**
