

AdCalls offers you the most exciting and rewarding income opportunity in modern day history. Imagine earning money by giving away FREE long distance calling to everyone you know. You too can save hundreds each year on all of your local and long distance calls by using the FREE AdCalls dialer from your computer.

OK you say, "I see how giving away free long-distance phone service and thousands of local, national and brand coupons can drive millions of people to use the free AdCalls services, but how can I earn millions by giving away free long-distance phone service and coupons?" Well, if you were selling anything at all, wouldn't you want to have your company giving away coupons to attract those millions? In fact, wouldn't you be willing to pay quite a bit to have those millions of people print your coupons to drive the business your way? Of course you would! That's the power behind creating a huge AdCalls income opportunity for you.

Now add the fact that you can get paid not only on your sales but on an unlimited number of distributors' sales from people sponsored under you, down seven levels. Next, consider that sales start at \$49 monthly to \$25,000 and you can earn up to thousands of dollars in direct or matching profits.

The secret of building wealth is to be able to give away something free that people want and make money. AdCalls allows everyone to choose coupons from local stores and restaurants, national chains and brand names for free. Who would not like free long-distance phone service that is easy to use? Just plug an inexpensive microphone into your computer and type in the number. Call any phone any time totally free.

There has never been a better system to attract customers. Just offer them free long-distance phone service with the ability to print cost-saving coupons of their choice for free. No wonder, AdCalls and its advertisers expect to have millions of users and prospects. No wonder many advertisers are lining up, merchants want to offer coupons and businesses want their private label on the dialers and computer dialer icons. You can earn large incomes from all of these sources.
