My Personal Story

My name is Anthony MacDonald. Life isn't always fair. Back in 1989 I had to take a leave from my job because of stress and personal family reasons. Things were not going all that well for me at that time in my life. I was out of work, collecting disability, and was worried about my future. I bought all kinds of work-from-home opportunity magazines in a quest to find a solution to my situation. I loved the idea of working from home that so many ads claimed you could do. I didn't want to return to my old job. It wasn't long before I became a total 'Opportunity Junkie'. In just a short time I had spent a small fortune ordering all kinds of money-making kits, systems, plans, books and Multi-Level programs. I soon realized these ads would promise you the world but very few would

deliver. I know because I've answered hundreds of them myself. I was always looking for 'The Big One', the one that would shower me with **ENORMOUS WEALTH!** However, none of them really seemed to work out. All of them either failed miserably, or required much more time, effort, and money than what was advertised. And some were just outright scams that were totally unrealistic! I ordered everything under the sun. I did not expect to get rich overnight. I just wanted a legitimate shot, a realistic and honest way of making money from home. A plan that would provide me with a steady monthly income *for the rest of my life* without fail, whether I worked or not, like so many of these ads promised.

The Secret Was Exposed!

Little by little I began putting the little pieces of the puzzle together. After months of collecting all these money making systems I began pouring over them again and again to see how they really worked. I re-examined them, then compared them to each other. I began to notice one common thread that was inherent in all of them. I was truly **SHOCKED!** Why did I not see it sooner. There was always one 'Key Component', the glue if you will that made each of these money making advertising campaigns successful without failure! I could finally see the hidden springs, the slight of hand and the secret mechanisms that were behind each and every one of these remarkable money making programs... The **TRUTH WAS FINALLY REVEALED** to me! And I'll reveal the secret to you as well. I immediately put all this knowledge to work for me, and created my own money making blueprint utilizing only the best parts of other systems that were already in existence!

My Own Wealth Formula!

One month later the blueprint was completed I was anxious to put my own 'Wealth Formula' into action... The secret to my success is really quite simple, it is centered around simply mailing out our super responsive postcards from home. **I was literally SHOCKED at the rate money was rolling in!** Within days my mailbox was stuffed with loads of cash - LOTS of cash and I've been making more and more money everyday. I was truly amazed at how easy it is to make thousands of dollars each week simply by mailing out these proven postcards. I now make more in one day than what used to take me a week or more, killing myself working 12 hour days. Now I only work a few hours a day from my kitchen table doing **STRESS FREE** fun work! I totally enjoy what I am doing. And you can do the same!

Since the inception of my ingenious postcard system 10 years ago, my life has changed completely. Life is so luxurious, so easy and so much more satisfying than it used to be. I'm literally searching for leisure activities I haven't yet enjoyed. I no longer have to worry about where the money is coming from to pay my bills, the mortgage, the cars, the boat, and I no longer have that nagging boss standing over my shoulder. In fact, I have not had to work for anyone else since I went off disability 10 years ago. That is how wonderful life has been since creating this incredible system for generating wealth! And I want to pass the same on to YOU!
