

**These are just some of our Award-Winning Features...**

**Award-Winning Service and Support**

Fast, reliable, much easier than AOL, Cervo.net has long been recognized as the leading Internet Service Provider (ISP) for delivering superior service, valuable member benefits, and unmatched technical support. For those reasons, Cervo.net is consistently rated among the very best. Get the best Internet there is. Get Cervo!

**Faster Speed— Less waiting, more surfing!**

Cervo.net takes speed seriously. We offer nationwide support for 56k modems (and we support the V. 90 international standard), so you can get where you need to go —FAST! It's simple, wider bandwidth equals faster speed. We use the widest bandwidth that exists and continuously upgrade with technology. You'll have faster speed with us than other providers due to superior bandwidth! Surf at the Speed Limit!

**True Unlimited Access— NO Busy Signals**

No more trouble logging on, no matter what time of day or night. Think about that the next time you need to connect in a hurry. Say "Goodbye!" to frustrating disconnections during that long file you're downloading or important stock trade! True Anywhere, Anytime Access!

**5 E-Mail Accounts— POP3 & Web Based**

Everyone in your household can now have their own e-mail address without having to pay extra. No more "ATTN:" and no more logging on to a third-party web site just to keep your mail private. Plus, Cervo.net not only offers POP3 based access (i. e. Outlook Express), but Web-based access as well. Forget about calling home from a trip to New York just to see if you have e-mail, because now you can check it yourself from any computer with Internet access. It's that simple. Why pay more? Get more!\$\$\$!

**SecuriPhone— Long distance, same as Local!!!**

SecuriPhone provides secure encrypted communication for business and personal use. Voice, Instant Message, File, Document and Photo Transfer is now safe from illicit interception, eavesdropping and storage by unauthorized third parties. SecuriPhone is the World's first and only service that offers Secure Encrypted Internet Phone Calls, Secure On and Offline Text messages, and File Transfers, all in one simple program. Say Good-bye! to expensive long distance charges forever!

**In A Nutshell, It's An Easy Decision....**  
**Better, Faster Internet Service For LESS!**  
**The Only Internet Service That Pays You Month After Month**  
**For Referring Someone Once!**  
**Its The Smartest Way To Use The Internet!**

**No Contracts, No Banner Ads, No Hassles**

Finally, you can surf the Web at incredible Speed without any obligations, and without all those pesky ads popping up all the time! It's the ISP you've been waiting for!

**FREE Personal Start Page**

The Cervo.net Personal Start Page is a unique and powerful "Members-Only" service that's there for you every time you fire up your browser. You'll be able to start every Web journey from your own customized, dynamically updated site that's filled with all the tools and resources that you need. The Personal Start Page makes it incredibly simple to get all the latest news, sports scores, weather forecasts, stock quotes, maps and directions, and a great selection of the Web's top resources. There's also an automatic e-mail indicator, personal reminders, a collection of powerful search tools, and much more. You get to choose what you want, where you want it. Get the Internet YOUR way!
