

Motor City Cash Hauler

**DOUBLE YOUR MONEY GUARANTEED
PLUS EARN \$50 SPONSOR BONUSES WITH NO WORK ON YOUR PART!**

Every once in a great while, a program comes along that gives you the opportunity to make some Real Cash – Real Fast – with no work on your part. You can be the Little Man and finally reap the rewards that the Heavy Hitters earn.

For a one-time entry fee of \$250, we will mail for you until we make you **\$500 – GUARANTEED!** Using our in-house Gold List of proven buyers names. After we double your money, let me explain where the real power and money comes in. As soon as you enroll – which covers printing, mailing, set-up, monitoring and your product report – we will send you your Master Copy with YOU in position 2 in case you choose to promote this golden opportunity to others. We will go right to work for you, mailing until we make you \$500! You then go to position 3, Sponsor Bonus Position, on the members we recruited for you. As we mail for them, earning each of them \$500 a piece, you're pulling in an instant 25 people for you too – that's **\$1250!** Not bad for a \$250 investment.

Are you seeing the power and money now? You can enter a family member, a friend, or yourself, as many times as you'd like, as we will Double Your Money Every Time! Actually, more if you look at the power of the Sponsor Bonus Position. If you want to make even more money, you can also promote this very powerful program to others on your own, even though we will do ALL of the work for you.

This program is for the Doers, not the dreamers. As the saying goes, it takes money to make money. A one-time \$250 entry fee is well worth it for what you will gain with this program. If you do not have it, borrow it, get a loan, do what it takes, because you will have it back in your hands in a very short time – and then some. Earn enough money for a vacation, pay off some bills, buy a car, whatever your interests might be.

There are no hidden fees, and we will not be calling you or mailing you requesting more money from you. The only time you'll hear from us again is when you're receiving your rewards. We've taken out all the guess work out of the mailing program business, and we'll take care of all the work for you.

To protect the program and its members, we are only accepting Postal Money Orders, which can be obtained at any US Postal Center for a minimal fee.
